Supporting Evidence: Mr. Valdovinos was removed from aftercare treatment due to non-compliance and failing to attend his weekly treatment sessions and provide verification of his attendance at self-help groups. When asked to re-engage in treatment, he stated he is not an “addict” and did not believe he is in need of further treatment.

The U.S. Probation Office respectfully recommends the Court issue a summons requiring the defendant to appear to answer to the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
